The Quiet Alternative...

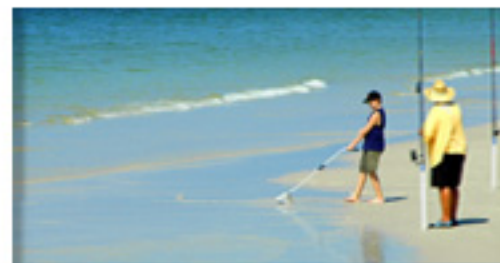

Do you remember your Florida? The Florida of sand castles and lazy afternoons? Your parents, promising a family vacation, packed you into a station wagon, turned on the radio and pointed south. You smelled the salty air and heard the waves crashing before you saw miles of pristine beaches and a horizon of endless water.

You can still find those memories at Mexico Beach, Florida. The heart and soul of our town keeps families coming back year after year... ***it's a beach for every generation.***

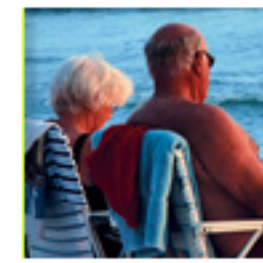

Virtual Tour

View before you visit! See a panoramic view of some of our favorite spots. <start>

Catch of the day

Find a premier spot to fish on the canal, the jetties, your boat or the beaches.>>

Snowbirds

Affordable winter rates and a warm community make us a snowbird favorite.>>

Tie the Knot!

The beaches are the perfect place for an intimate wedding. <more>
